

Fundraising Car Washes

Fundraising car washes in Lakewood require a no-cost permit available at City Hall.

DO's & DON'Ts for Car Washes.

DO:

- **Wash cars on a grassy (preferred) or dirt area, where the wash water can soak into the ground or evaporate.**
- **Minimize the amount of soaps and detergents used.**
- **Use a temporary plug or insert into the storm drain (required when car washing is done over an solid area like pavement, that drains to a storm drain or dry well)**
- **When using plug, pump accumulated water onto the nearest grassy area or dirt area.**

DON'T:

- **DO NOT discharge to storm drains or surface waters!**
- **DO NOT pressure wash undercoating of the vehicle.**

Car Wash kits are available through Pierce County Surface Water Management at (253) 798-2725.
