Data Note: The 1990 Census reported population by single races only. Esri estimates the multiracial population from 1990 Census data for the total population. In the 1990 Census, "Asian" and "Pacific Islander" were not reported separately for the Hispanic Origin population. To compare the data, "Asian" and "Pacific Islander" are combined in 2000. The Diversity Index summarizes racial and ethnic diversity. The index shows the likelihood that two persons, chosen at random from the same area, belong to different race or ethnic groups.
